Summer English Assignment – EB Online Summer Interactive Programme

Dear parent/guardian,

To help students strengthen their listening, vocabulary, speaking and reading skills during summer break and build up a habit of self-directed learning, our English Department has chosen **EB Online Interactive English Learning Programme** for our students to polish up their English skills. All our current students will need to complete all the exercises listed under ‘EB Summer’ before 1 September 2021. The right levels have been set to cater different needs of our students.

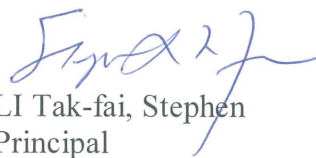

EB is developed according to the Curriculum Guidelines for Key Stage 3 of EDB. It combines advanced interactive teaching methods to address students’ learning needs and develop their interest and English ability. EB is widely used by secondary schools in Hong Kong.

EB can be run on all platforms through HTML 5 (PC, Mac, iOS and Android). Students can use EB easily in any mobile devices on web browser. They should all have been given their own login and password information. If your child any enquiries, please seek help from their English teachers directly.

Yours faithfully,

LI Tak-fai, Stephen
Principal
